LETTER TO PARENTS

Parent/Guardian NameAddress:	
It is the intent of the school that children receive medications at the specified times prethem by their physician. However, School Board Policy JLCD reads:	scribed for

"No medication, including drugs as such term is defined in Section 12-22-102(11), C.R.S., prescription or nonprescription, shall be administered to a student by any school employee except in accordance with written instructions from the student's parent or legal guardian together with express written directions to school officials from the student's physician concerning the appropriateness and method of administration. School personnel shall provide the time and place for students to take properly prescribed and authorized medicine."

Guidelines for Medication:

No medication can be given at school until Nursing Form 2 is completed, signed by physician and parent, and returned to the school.

Thank you, Nursing Services
